

**PORTFOLIO MANAGER LICENSE  
AGREEMENT**

Covestor Limited doing business as Interactive Brokers Asset Management (“IBKRAM”), a company formed under the laws of the United Kingdom and registered under the United States Investment Advisers Act of 1940, as amended (the “Act”), hereby confirms its agreement with you regarding our right to use certain data generated by you (generally referred to as “Portfolio Manager” but also as “Publisher”), as well as the other matters set forth herein, on the terms and conditions set out herein and the appendices hereto and made a part hereof (collectively, this “Agreement”). This Agreement will be effective as of the date of your acceptance of the terms and conditions set forth herein (the “Effective Date”).

**1. Provision of Data.**

a. You agree to open and maintain one brokerage account (the “Account”) at Interactive Brokers LLC (“IB” or “Interactive Brokers”) for the sole purpose of managing a portfolio on the IBKRAM platform. You also agree to provide IBKRAM with timely access to such Account and all of your respective investment decisions, portfolio and trading activity and other portfolio-related data in such Account, including, without limitation, securities, prices, volume traded, types of trades. You may also maintain as many other Interactive Brokers accounts as you choose, but these will not be linked to the IBKRAM platform. You agree that IBKRAM and IB may exchange information regarding any accounts you maintain or manage through IB (other than any identifying information about your non-IBKRAM clients or investments in such non-IBKRAM clients’ accounts) so IBKRAM and IB can effect transactions in your account(s), provide you services and/or market services complementary to your

existing business. If you previously used the same strategy on the IBKRAM platform in some other Interactive Brokers account(s) not linked to IBKRAM, you also agree to provide IBKRAM with timely access to such other Interactive Brokers account(s) and all of your respective investment decisions, portfolio and trading activity and other portfolio-related data in such account(s), including, without limitation, securities, prices, volume traded, types of trades. You also agree to provide IBKRAM, if applicable, with historical performance data, i.e., trade data from the inception of your Account with Interactive Brokers to the date of this Agreement or historical performance data from any other brokerage account in which you managed your strategy prior to opening an Account at IB (collectively, the “Data”). Any historical performance data you provide to IBKRAM must meet the requirements set forth in Appendix F (“**Standards Applicable to Your Pre-Interactive Brokers Asset Management Trading Data**”).

b. You agree to open and maintain your Account in accordance with the access rules set forth on Appendix A (the “**Trading Rules**”). IBKRAM will provide you with reasonable advance notice of any amendments to these rules. You are responsible for all investment activity and performance within such Account.

c. You agree to allow IBKRAM to use your Data to create multi-manager portfolios (“MMPs”). IBKRAM may create MMPs by commingling your Data with the data of other portfolio managers on the platform at its sole discretion as long as the sources of Data are properly cited. An MMP is a combination of different portfolios on the IBKRAM platform that seeks to diversify the risks associated with a single investment portfolio while still capturing manager alpha. IBKRAM is not obligated to create such MMPs, and will only

do so in its sole discretion. Also in its sole discretion, IBKRAM may decide which specific manager portfolios comprise an MMP. IBKRAM may periodically rebalance MMPs. IBKRAM will pay portfolio managers whose portfolios are part of an MMP asset-based compensation based on the management fee charged by each manager in accordance with the specific provisions of Appendix E (“Fees”).

d. Your posting of content, other than Data, on a website or service maintained by IBKRAM shall be governed by the Terms of Use posted on any such website or service, as they may be updated from time to time, which Terms of Use are incorporated herein by reference.

## **2. License.**

a. Data will remain your sole property and nothing in this Agreement will confer on IBKRAM any right of ownership in any Data except as otherwise explicitly set forth in this Section 2. You hereby grant IBKRAM a worldwide, irrevocable, non-exclusive license to use, publicly display, transmit, distribute, reproduce, manipulate, resell, sublicense and create derivative works from your Data. You agree and acknowledge that IBKRAM is entitled to use such Data in its investment advisory business.

b. IBKRAM has no obligation to include or use any of your Data, or to publish, broadcast, exhibit, transmit, distribute or otherwise exploit such Data in any manner or media.

c. You hereby grant IBKRAM a worldwide, irrevocable, non-exclusive and royalty-free license to use, publicly display, transmit, distribute and reproduce your name, image or likeness, and any related trademark or trade name in any of IBKRAM’s marketing materials in any medium for the duration of

this Agreement. IBKRAM represents that its advertising and marketing materials that reference managers comply with the securities laws and regulations applicable to IBKRAM’s operations.

a. You represent, warrant, covenant and agree to and with IBKRAM that:

(i) The execution and delivery of this Agreement by you, the performance by you of your obligations hereunder and the consummation by you of the transactions contemplated hereby have been duly authorized by all requisite action on your part. ## **5. Confidential Information.**

a. "Confidential Information" means (i) with respect to IBKRAM's information, (regardless of its form, manifestation or how it is known to you) the terms and conditions of this Agreement and information about certain matters which are confidential to IBKRAM and its affiliates and which information is the sole and exclusive property of IBKRAM, including, but not limited to, employees, suppliers, partners, clients, accounts, plans, business performance and other proprietary information, and (ii) with respect to you, the information disclosed in this Agreement, excluding the Data, and any other information furnished to us by you and designated confidential by you in writing.

b. Confidential Information shall not include information which the receiving party can show (i) was in its possession at the time of disclosure; (ii) prior to or after the time of disclosure became publicly known other than as a result of a breach of a duty of

confidentiality due the disclosing party or its affiliates; (iii) was disclosed to the receiving party by a third person under no legal obligation to maintain the confidentiality of such information or (iv) was independently developed by the receiving party without reliance on any confidential disclosures of the disclosing party or its affiliates, as demonstrated by documentary evidence.

c. The receiving party acknowledges that the Confidential Information is of a sensitive nature and, therefore, agrees to at all times during the term of this Agreement and thereafter, hold all Confidential Information in strictest confidence and not to use or disclose the Confidential Information for any purpose whatsoever other than as required to perform under this Agreement except as may be required by law, rule or regulation or by the order or demand of a court or government agency or authority. The receiving party agrees not to duplicate all or any part of the Confidential Information, except as necessarily incidental to its performance under this Agreement. The receiving party agrees to take all reasonable measures to protect against the unauthorized disclosure or use of the Confidential Information. Any executed version of this Agreement may, in the ordinary course of business, be shared by either party with its counsel, auditors and other parties who are either under a legal duty to maintain its confidentiality or have agreed in writing to the terms of this Section 5.

## **6. Audit Rights.**

a. IBKRAM shall have the right to conduct or have conducted on its behalf an audit of you to ensure compliance with Sections 4(a)(iv), 4(a)(v) and 4(a)(vi). You agree to provide, within fifteen (15) business days of a written request any books, records and/or other information or data reasonably requested by IBKRAM, including, without limitation,

brokerage account statements, trading or investment data, registration-related documentation, and historical performance data, for purposes of conducting such an audit. Any auditor performing such an audit shall be required, as a condition of performing such audit, to enter into a reasonable and customary agreement not to disclose your confidential information.

b. You hereby consent to IBKRAM performing or having performed on its behalf audits of your and your affiliates' backgrounds, including without limitation, criminal, reference and credit checks, as well as employment history and educational record.

c. Once per calendar year, you have the right, upon thirty (30) days written notice and during normal business hours in a manner designed not to disturb IBKRAM's operations, to have a mutually agreed-upon third-party audit of IBKRAM's calculation of the Fees paid and/or owed to you. IBKRAM shall provide the books and records reasonably necessary for such purpose. If the audit concludes that such calculations resulted in an underpayment of Fees to you in an amount greater than five percent (5%) of the amount of Fees actually earned, IBKRAM shall bear the reasonable fees and expenses of such audit, including reasonable attorneys' fees and expenses; otherwise, you shall bear such fees and expenses. The results of such audit shall be treated as Confidential Information hereunder. Any auditor performing such an audit shall be required, as a condition of performing such audit, to enter into a reasonable and customary non-disclosure agreement in favor of IBKRAM.

## **7. Non-Solicitation.**

Without the prior written consent of IBKRAM, during the term of this Agreement

and for twenty-four (24) months thereafter, you agree not to knowingly or negligently, directly or indirectly, alone or as a partner, officer, director, principal, employee, member or stockholder of any entity, solicit any Client or User, or any person or entity that was a Client or User of IBKRAM at any time during the term of this Agreement, to use the services of anyone other than IBKRAM for investment advisory or investment and/or wealth management services.

## **8. Indemnification.**

a. You shall indemnify and hold harmless, IBKRAM, and its affiliates, and its and their successors and assigns, and its and their directors, officers, employees and controlling persons (the “Indemnified Parties”) from all losses, claims, settlements, damages, charges, liabilities, costs or expenses (including attorneys fees) arising from, related to or otherwise connected with any breach by you of any provision of this Agreement, or a violation by you of the Code of Conduct, any applicable law, rule or regulation, provided that the loss, claim, settlement, damage, charge, liability, cost or expense did not arise out of negligence, fraud or willful misconduct on the part of IBKRAM.

b. IBKRAM shall indemnify and hold harmless you, and your affiliates, successors and assigns, directors, officers, employees and controlling persons (the “Indemnified Parties”) from all losses, claims, settlements, damages, charges, liabilities, costs or expenses (including attorneys fees) arising from, related to or otherwise connected with any breach by IBKRAM of any provision of this Agreement or a violation by IBKRAM of any applicable law, rule or regulation, provided that the loss, claim, settlement, damage, charge, liability, cost or expense did not arise out of negligence, fraud or willful misconduct on your part.

c. Promptly after receipt by an Indemnified Party under this Section 8 of notice of any claim or dispute or commencement of any action or litigation, such Indemnified Party will, if a claim in respect thereof is to be made against an indemnifying party under this Section 8, notify the indemnifying party of the commencement thereof; but the omission to notify the indemnifying party will not relieve it from any liability which it may have to any Indemnified Party otherwise than under this Section 8 except to the extent, if any, that such failure or delay prejudiced the other party in defending against the claim.

In case any such claim, dispute, action or litigation is brought or asserted against any Indemnified Party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, to assume the defense thereof, with counsel specially approved in writing by such Indemnified Party, such approval not to be unreasonably withheld, following notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof; in which event, the indemnifying party shall continue to be liable to the Indemnified Party as heretofore set forth in this Section 8.

Notwithstanding any other provisions of this Section 8, if, in any claim, dispute, action or litigation as to which indemnity is or may be available, any Indemnified Party reasonably determines that its interests are or may be, in whole or in part, adverse to the interests of the indemnifying party, the Indemnified Party may retain its own counsel at its own expense in connection with investigating or defending such claim, dispute, action or litigation.

Notwithstanding any other provisions of this Section 8, in any claim, dispute, action or

litigation as to which indemnity is or may be available, the Indemnified Party shall not have any right to indemnification hereunder for any settlement entered into by the Indemnified Party without the indemnifying party's prior written consent.

**9. Disclaimer of Warranty and Limitations on Liability.**

**a. YOU ACCEPT IBKRAM'S PLATFORM AND SYSTEM "AS IS", AND WITHOUT WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE, PURPOSE OR APPLICATION; TIMELINESS; FREEDOM FROM INTERRUPTION; OR ANY IMPLIED WARRANTIES ARISING FROM TRADE USAGE, COURSE OF DEALING OR COURSE OF PERFORMANCE. IBKRAM SHALL NOT BE LIABLE TO YOU BY REASON OF DELAYS OR INTERRUPTIONS OF SERVICE OR TRANSMISSIONS, OR FAILURES OF PERFORMANCE OF IBKRAM'S SYSTEM, REGARDLESS OF CAUSE, INCLUDING, BUT NOT LIMITED TO, THOSE CAUSED BY FORCE MAJEURE, HARDWARE OR SOFTWARE MALFUNCTION. YOU RECOGNIZE THAT THERE MAY BE DELAYS OR INTERRUPTIONS IN THE USE OF IBKRAM'S SYSTEM, INCLUDING, FOR EXAMPLE, THOSE CAUSED INTENTIONALLY BY IBKRAM FOR PURPOSES OF SERVICING IBKRAM'S SYSTEM.**

b. Neither party shall be liable to the other party for any punitive, special, consequential, incidental, indirect or exemplary damages (including loss of revenue or anticipated profits, lost business or lost data) related to

this Agreement, even if that party has been advised of the possibility of such damages or losses.

**10. Responsibility for Trade Errors.**

Trade errors may occur either when you trade your Account for which you provide Data to IBKRAM for purposes of managing a portfolio on the platform or when IBKRAM executes trades for IBKRAM Clients subscribing to your Data.

To ensure pricing and execution fairness and prevent potential front-running by Portfolio Managers, IBKRAM places your trade order and the corresponding amounts to be routed for Clients following you in a single order. IBKRAM then allocates the executed shares to your Account and subscribing Clients' accounts on a pro rata basis, i.e., at the same average price per share with transaction costs shared equally.

Generally, you will be responsible for trade errors in the following circumstances:

- You purchased or sold the wrong security or the wrong amount of securities in your account managing the Portfolio;
- You purchased or sold securities in the wrong account;
- You traded in your account managing the Portfolio outside IB's online trading platform preventing IBKRAM from seeing the trades it needed to replicate into Client Accounts using its co-trading technology; or
- You withdrew or deposited cash into your account without providing IBKRAM with the 7-day advance notice required by the **Trading Rules** set forth in Appendix A, which prevented IBKRAM from properly mirroring your trade into Client accounts.

Generally, you will not be responsible for trade errors in the following circumstances:

- Execution errors made by any broker-dealers, clearing firms, or custodians when an order was properly submitted for execution; and
- Unwarranted delays in trade replication for clients due to a failure in IBKRAM's co-trading technology.

You agree to reimburse IBKRAM for all Client losses caused by your errors in trading, including commissions or fees associated with reversal of erroneous trades in Client accounts subscribing to your Data.

You agree to notify IBKRAM immediately in writing if you think that a trade error occurred in your Account.

IBKRAM will in good faith determine whether a trade error for which IBKRAM Clients should receive compensation was caused by you or IBKRAM. When a trade error for which you are responsible occurs, IBKRAM will provide you with details regarding the error so that you may assist us in determining whether compensation should be provided to IBKRAM Clients subscribing to your Data. Failure to cooperate with IBKRAM in any inquiry regarding a trade error will be deemed a Portfolio Manager Violation within the meaning of Appendix D.

Pursuant to this Section and Section 8, you will indemnify IBKRAM for your trade errors that cause monetary harm to IBKRAM Clients.

You agree, upon your discovery or upon notice, to promptly return to IBKRAM any assets or funds erroneously placed by IB or IBKRAM in your Account in connection with any of the trades in your Account.

## **11. Termination and Effect of Termination.**

a. IBKRAM may terminate this Agreement, for any reason or for no reason, upon thirty (30) days' prior written notice to you.

b. You may terminate this Agreement for any reason or for no reason upon thirty (30) days' prior written notice to IBKRAM. The accrual of Fees shall cease immediately upon termination of this Agreement.

c. Upon termination of this Agreement, or earlier upon IBKRAM's request, you shall immediately deliver over to IBKRAM (and will not keep, recreate or deliver to any other person) all Confidential Information, intellectual property and other property of IBKRAM, together with all copies thereof, in whatever medium recorded that you may have within your possession or control, delete same from all electronic storage systems, and certify that you have done so. Any Confidential Information we may receive, if any, is subject to Section 2 above, and will not be returned.

d. You acknowledge that IBKRAM's sole obligation to you on termination with regard to the payment of Fees will be payment within ninety (90) days of termination, of those Fees, if any, due to you in accordance with the terms hereof.

e. You agree that the termination provisions herein, in terms of both notice and default events, are reasonable and that you will not contest same by way of wrongful termination proceedings or otherwise under any applicable laws.

## **12. Notice.**

All notices, requests, claims, demands and other communications hereunder shall be in writing and shall be given or made (and shall be deemed to have been duly given or made upon receipt) by delivery in person, by an internationally recognized overnight courier service, by facsimile, registered or certified mail (postage prepaid, return receipt requested) or email, or if to you, to the current email address on file with IBKRAM (or alternatively, mailing address or facsimile number), to the respective parties hereto at the following addresses (or at such other address for a party as shall be specified in a notice given in accordance with this Section 12):

## **13. Survival.**

The provisions of Sections 2(a), 2(b), 5, 7, 8, 9, 11, 14, and 15 shall survive any termination of this Agreement.

## **14. Receipt of Disclosures.**

a. You acknowledge receipt of the **Privacy**

**Policy** posted on the Forms and Agreements page of our website located at <http://site.ibkram.com/agreements> and a copy of our written disclosure statement as set forth in the Informational Brochure (Uniform Application for Investment Adviser Registration) or another document meeting the disclosure requirements of the Act.

## **15. General.**

a. You hereby agree and acknowledge that IBKRAM shall have the right, upon thirty (30) days prior notice, to amend the terms and conditions of this Agreement, without taking any further action; provided, that you do not object in writing to IBKRAM prior to the expiration of such thirty (30) day period. By continuing to provide Data beyond such thirty (30) day period without objection, you shall be deemed to have expressly agreed to the amendments set forth in such notice. Such notice shall be dated and effective when emailed to you. Any change to the Fees shall be effective only if (i) such change is within the parameters set forth on Appendix E or (ii) you are given (30) days prior written notice, and you do not object in writing to IBKRAM prior to the expiration of such thirty (30) day period.

b. All brokerage transactions under this Agreement will occur through Interactive Brokers, an affiliate of IBKRAM. IBKRAM does not offer services through any other broker-dealer. The use of an affiliate for brokerage services represents a conflict of interest. The compensation that Interactive Brokers receives for its brokerage services ultimately benefits both Interactive Brokers and IBKRAM given their corporate affiliation. You acknowledge that IBKRAM is affiliated with Interactive Brokers, a registered broker-dealer, and expressly authorize IBKRAM to execute transactions through Interactive Brokers, consistent with

IBKRAM's duty of best execution.

c. You acknowledge that we may establish procedures to mitigate the risk of you front-running IBKRAM's Clients, including:

(i) combining orders for the sale or purchase of a security by you with those of IBKRAM Clients that follow you;

(ii) placing the combined orders through Interactive Brokers in single or multiple trades; and

(iii) allocating the combined trades between you and IBKRAM accounts on a pro rata basis (*i.e.*, IBKRAM Clients and you will receive the same average price per share and transaction costs will be shared equally).

d. You acknowledge that the trades executed in your Account may be aggregated with trades for IBKRAM Clients following You and allocated proportionately. You acknowledge that the allocation process may affect the time priority of your order and the price or quantity executed.

e. Interactive Brokers will not intentionally designate your orders to trade with the orders of IBKRAM affiliates engaged in proprietary trading, although your orders may still execute against the orders of IBKRAM affiliates and their customers on the open market. This may affect the timing, price and quantity of the execution you receive.

f. By signing this Agreement, you agree that your orders may be designated to trade against the orders of other Interactive Brokers customers, including but not limited to liquidity providers, either in Interactive Brokers' alternative trading system or on a public exchange through a facilitation/price improvement procedure. (These liquidity providers may offer prices better than would otherwise be available). Interactive Brokers

will act as broker for and receive commissions from both parties to these transactions. You may revoke your written consent to such transactions at any time by written notice to IBKRAM or Interactive Brokers.

g. This Agreement, including the appendices hereto and the Terms of Use incorporated herein, constitutes the entire agreement between IBKRAM and you concerning the subject matter hereof and supersedes all prior statements, representations, discussions, negotiations and agreements, both oral and written.

h. If any of the provisions of this Agreement shall be found to be illegal or unenforceable, this Agreement shall nevertheless remain in full force and effect, and such term or provision shall be construed as narrowly as required to render it legal, enforceable, and closest to the intention underlying it.

i. This Agreement and the rights granted hereunder shall not be assigned, encumbered or otherwise transferred by you without the prior written consent of IBKRAM. This Agreement and the rights granted hereunder may be freely assigned or transferred by IBKRAM.

j. No party's rights to enforce any provision of this Agreement shall be affected by any prior course of dealing, waiver, delay, omission or forbearance.

k. The insertion of headings is for convenient reference only and is not to affect the interpretation of the Agreement.

l. Each party to this Agreement agrees to do such things, attend such meetings and to execute such further documents and assurances as may be deemed necessary or

advisable from time to time in order to carry out the terms and conditions of this Agreement in accordance with its true intent.

m. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute one and the same instrument.

n. Nothing contained herein shall constitute or be construed as the creation of any partnership, agency or joint venture relationship between the parties hereto. Neither party shall have the right to obligate or bind the other in any manner whatsoever, and nothing herein contained shall give or is intended to give any rights of any kind to any third persons. The relationship of the parties shall be as independent contractors. You agree and acknowledge that you are solely responsible for the payment of any taxes payable by you or levied on you as a result of your activities hereunder.

**16. Governing Law and Jurisdiction.**

a. This Agreement shall be governed by, and construed in accordance with, the laws of the Commonwealth of Massachusetts. All actions arising out of or relating to this Agreement shall be heard and determined exclusively in any Massachusetts federal court sitting in the City of Boston; provided, however, that if such federal court does not have jurisdiction over such Action, such Action shall be heard and determined exclusively in any Massachusetts state court sitting in Suffolk County. Consistent with the preceding sentence, the parties hereto hereby (i) submit to the exclusive jurisdiction of any federal or state court sitting in the Commonwealth of Massachusetts for the purpose of any action arising out of or relating to this Agreement brought by either party hereto and (ii) irrevocably waive, and

agree not to assert by way of motion, defense, or otherwise, in any such action, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the action is brought in an inconvenient forum, that the venue of the action is improper, or that this Agreement or the transactions contemplated by this Agreement may not be enforced in or by any of the above named courts.

b. EACH OF THE PARTIES HERETO HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. ## APPENDIX A: Trading Rules

Account Rules	
Portfolio managers maintain their designated brokerage account in good standing with Interactive Brokers LLC and grant Covestor Limited doing business as Interactive Brokers Asset Management (“IBKRAM”) access to the designated account for the purposes of monitoring daily trading activity and utilizing that activity as the basis for establishing and maintaining an accurate record of their strategy within IBKRAM. Non-compliance with these Account Rules may result in the manager being liable for trading costs incurred by subscribers and/or termination of the manager's agreement with IBKRAM, at IBKRAM's sole discretion.	
Account Type	Managers can choose any account type at IB (Cash, Reg-T Margin or Portfolio Margin). Clients must have the same or greater margin availability to invest, therefore choosing a higher margin account may limit client investments.
Account Option Trading Permission	Managers should only have account option trading permission (Limited or Full) if they are using options as an integral part of the strategy. Clients must have the same or greater option trading permission to invest.
Deposits/ Withdrawals/ Transfers	Managers should not withdraw more than 50% of portfolio cash in any one month or any more than two cash withdrawals in a month since any withdrawal would instigate a large number of client trades. Manager must provide 7 days' notice and work with IBKRAM to avoid adverse impact for clients.
Corporate Actions	For all voluntary corporate action elections, managers are required to make election in their IB account 3 days prior to the corporate action deadline, then notify IBKRAM immediately after making the election.

Trading Rules	Portfolio Risk Score				
	1	2	3	4	5
Security type	US Equities, ADRs, REITS, Closed-End Funds, Preference shares and ETFs				
Market cap minimum	Securities < \$50m blocked (All ETFs allowed)				
Liquidity minimum	Securities < \$100k ADV blocked (All ETFs allowed)				
Leveraged/ Inverse ETFs	Blocked		Leveraged and Inverse allowed		
Margin	Up to 1x leverage ratio		Broker limits		
Shorting	Long-only		Long-short		
Trade time	Regular market opening hours only				
Security type	US equity options on eligible underlying securities & Index options*				
Options strategies	Blocked		Limited**	Any	

\* Options should only be used when an integral part of the strategy. Portfolios trading options will only be available to clients with option trading permissions.

\*\* For an options strategy to be risk score 3 the manager must have 'Limited' options permission set on the account at Interactive Brokers (IB) and meet other risk requirements of a risk score 3 portfolio. 'Limited' options permission allows certain specific covered and spread strategies as defined by IB.

IBKRAM combines these trading rules with risk metrics and other information to determine portfolio risk score.

For example, portfolios that meet the trading rule requirements for risk score 1 or 2 could still be deemed a risk score 3,4 or 5 if volatility or VaR is sufficiently high.

### Trade Errors

Upon the occurrence of a trade error caused by you, you will be provided with details regarding the error in order to assist us in determining whether subscriber compensation is merited. Failure to cooperate in any inquiry may be deemed a manager violation. A trade error is defined as a deviation from the applicable standard of care in placement, execution, or settlement of a trade for a portfolio. In general, the following types of errors would be considered trading errors for the purposes of this Agreement:

- The purchase or sale of the wrong security or wrong amount of securities;
- The purchase or sale of a security in the wrong account.

For purposes of this Agreement, the following types of errors are not deemed to be trading errors:

- Good faith errors in judgment in making investment decisions for portfolios;
- Errors caught and corrected before execution;
- Ticket re-writes and similar mistakes that incorrectly describe properly executed trades; and
- Errors made by persons other than you (e.g. broker-dealers).

IBKRAM is responsible for trade errors that occur during the replication of portfolio trades.
